Subject: US EPA Region 5 Docket No. V-W-12-C-002

Dear Mr. Berman:

I am sending you this e-mail to see if the land at 9320 Marietta Rd., Bremen, OH 43107, can be released back to Barclay Petroleum, Inc., the owner of the property, from the EPA.

Barclay Petroleum, Inc. has done everything that the EPA required. The US EPA Region 5 Docket No. is V-W-12-C-002. Mr. Joe Fredle was the on-scene coordinator and he approved the work that was done. Mr. Raymond Moreno of the EPA conducted a site assessment report which approved the work done dated June 14, 2016, DERR Database Site ID# 123-002882-002. We have worked with the Coast Guard and Mr. Sean Devine FPN E12520. All expenses assessed, FedDebt Payment Agreement ID number PA17025713, were paid in full on 3/27/17, Pay.gov Tracking ID 261GIRQS.

I have inquired with several government sources and nobody seems to know how or who can release the property back to Barclay Petroleum, Inc. I am consulting you now to see how the release can be accomplished since all requirements have been met.

Your cooperation in this matter is greatly appreciated. If you need any more information, please let me know. I feel that I have provided all the necessary government ID numbers in order for you to access this file. I am hoping for a response as soon as possible. Thank-you.

Respectfully,

Bruce W. Kelley, Owner
